1. **SCOPE OF SERVICES**

Redwood Toxicology Laboratory (RTL) certifies that it is licensed by the State of California, the DEA and Clinical Laboratory Improvement Amendments to perform drugs of abuse testing throughout the United States. RTL participates in the proficiency-testing program administered by the American Association of Bioanalysts.

Redwood Toxicology Laboratory will provide urinalysis drug screening for Alcohol (Ethanol), Amphetamines, Barbiturates, Benzodiazepines, Cocaine, Opiates, and PCP as well as a standard lab test for alcohol or the THC test. Initial screening of RTL's standard laboratory test is performed by enzyme immunoassay (EIA). Confirmation is performed by a secondary method, including gas chromatography (GC), gas chromatography/mass spectrometry (GC-MS), and/or liquid chromatography/tandem mass spectrometry (LC-MS/MS), depending on drug class.

URINE DRUG TESTING

- Negative results for standard screen tests (non-esoteric) are available within twelve (12) to twenty-four (24) hours after receipt of specimen(s) at Contractor during normal business hours.
- Confirmed positive results of standard tests requiring gas chromatography mass spectrometry ("GC-MS"), liquid chromatography with tandem mass spectrometry ("LC-MS/MS") or gas chromatography with flame ionization detection ("GC-FID") will be reported within forty-eight (48) to ninety-six (96) hours from the time of receipt of specimen(s) at Contractor's facility, or after receiving request for GC-MS, LC-MS/MS, or GC-FID confirmation.
- Confirmed positive results of esoteric tests requiring gas chromatography mass spectrometry ("GC-MS"), liquid chromatography with tandem mass spectrometry ("LC-MS/MS") or gas chromatography with flame ionization detection ("GC-FID") will be reported within forty-eight (48) to one-hundred twenty (120) hours from the time of receipt of specimen(s) at Contractor's facility, or after receiving request for GC-MS, LC-MS/MS, or GC-FID confirmation.
- When County requests a retest or a confirmation on a screened positive to a specimen in storage, turnaround time can take up to seven (7) days.
- When the laboratory determines that retesting is required, additional time may be necessary.

ORAL FLUID DRUG TESTING

- Negative results for oral fluid drug screens are available within forty-eight (48) to ninety-six (96) hours after receipt of specimen(s) at Contractor during normal business hours.
- Confirmed results by GC-MS, LC-MS/MS will be reported within seventy-two (72) to ninety-six (96) hours after receiving request for GC-MS or LC-MS/MS confirmation.
- Confirmed positive results or esoteric testing requiring gas chromatography mass spectrometry ("GC-MS"), liquid chromatography with tandem mass spectrometry ("LC-MS/MS") or gas chromatography with flame ionization detection ("GC-FID") will be reported within forty-eight (48) to ninety-six (96) hours from the time of receipt of specimen(s) at RTL's facility, or after receiving request for GC-MS, LC-MS/MS, or GC-FID confirmation. In some cases, where retesting is required, additional time may be necessary.
- When County requests a retest or a confirmation on a screened positive to a specimen in storage, turnaround time can take up to seven (7) days.
- When the laboratory determines that retesting is required, additional time may be necessary.
- Screening and confirmation methodologies, as well as cutoff levels, vary by drug or metabolite and are subject to change at Contractor's discretion. Panel codes, drugs/metabolites within a targeted panel (i.e. synthetic cannabinoids or steroids) and testing equipment are also subject to change. Drugs available in the standard panels vary by panel code.

Laboratory Supplies: Redwood Toxicology Laboratory's standard service includes all urine collection supplies and shipping supplies and oral fluid and shipping supplies. Urine and Oral Fluid collection supplies provided at no charge include requisition forms, specimen labels, chain of custody forms and security seals, as well as FedEx overnight delivery supplies and/or USPS pre-paid mailer boxes. Redwood Toxicology Laboratory oral collection devices are not provided in this agreement and orders will be billed separately.

Inbound Shipment of Specimens to the Lab: Next day air service is provided to Siskiyou County Probation Department for five (5) or more urine and/or oral fluid specimens sent at one time. Less than five specimens sent by next-day air service will be assessed a seven-dollar (\$7.00) shipping and handling fee. Pre-paid mailer boxes may be used when fewer than five (5) specimens are sent to RTL at one time for testing. Mailer boxes are available on request when ordering supplies.

Expert Witness: Redwood Toxicology Laboratory will provide SCPD with court representation/testimony at a cost of three hundred and fifty (\$350.00) dollars per

ARTICLE 1. TERM OF CONTRACT

- 1.01** Contract Term: This Contract shall become effective on July 1, 2022, and shall terminate on June 30, 2024, unless terminated in accordance with the provisions of Article 7 of this Contract or as otherwise provided herein.

ARTICLE 2. INDEPENDENT CONTRACTOR STATUS

- 2.01** Independent Contractor: It is the express intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venture or partner of County. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Contract.

ARTICLE 3. SERVICES

- 3.01** Scope of Services: Contractor agrees to furnish the following services: Contractor shall provide the services described in Exhibit "A" attached hereto.

No additional services shall be performed by Contractor unless approved in advance in writing by the County stating the dollar value of the services, the method of payment, and any adjustment in contract time or other contract terms. All such services are to be coordinated with County and the results of the work shall be monitored by the [Department Head] Michael Coley or his designee.

To the extent that Exhibit A contains terms in conflict with this Contract or to the extent that it seeks to supplement a provision regarding a subject already fully

addressed in this Contract, including a clause similar to this seeking to render its language superior to conflicting language in this Contract, such language is hereby expressly deemed null and void by all parties upon execution of this Contract.

- 3.02** Method of Performing Services: Contractor will determine the method, details, and means of performing the above-described services including measures to protect the safety of the traveling public and Contractor's employees. County shall not have the right to, and shall not, control the manner or determine the method of accomplishing Contractor's services.
- 3.03** Employment of Assistants: Contractor may, at the Contractor's own expense, employ such assistants as Contractor deems necessary to perform the services required of Contractor by this Contract. County may not control, direct, or supervise Contractor's assistants or employees in the performance of those services.

ARTICLE 4. COMPENSATION

- 4.01** Compensation: In consideration for the services to be performed by Contractor, County agrees to pay Contractor in proportion to services satisfactorily performed as specified in Exhibit "A". Payment shall not exceed amount appropriated by the Board of Supervisors for such services for the fiscal year.

- 4.03** Date for Payment of Compensation: County shall pay within 30 days of receipt of invoices from the Contractor to the County, and approval and acceptance of the work by the County.
- 4.04** Expenses: Contractor shall be responsible for all costs and expenses incident to the performance of services for County, including but not limited to, all costs of materials, equipment, all fees, fines, licenses, bonds or taxes required of or imposed against Contractor and all other of Contractor's costs of doing business. County shall not be responsible for any expense incurred by Contractor in performing services for County.

ARTICLE 5. OBLIGATIONS OF CONTRACTOR

- 5.01** Contractor Qualifications: Contractor warrants that Contractor has the necessary licenses, experience and technical skills to provide services under this Contract.
- 5.02** Contract Management: Contractor shall report to the (department head) or his or her designee who will review the activities and performance of the Contractor and administer this Contract.
- 5.03** Tools and Instrumentalities: Contractor will supply all tools and instrumentalities required to perform the services under this Contract. Contractor is not required to purchase or rent any tools, equipment or services from County.

5.04 Workers' Compensation: Contractor shall maintain a workers' compensation plan covering all its employees as required by California Labor Code Section 3700, either through workers' compensation insurance issued by an insurance company or through a plan of self-insurance certified by the State Director of Industrial Relations. If Contractor elects to be self-insured, the certificate of insurance otherwise required by this Contract shall be replaced with a consent to self-insure issued by the State Director of Industrial Relations. Proof of such insurance shall be provided before any work is commenced under this contract. No payment shall be made unless such proof of insurance is provided.

5.05 Indemnification and Limitation of Liability: Each party (the "Indemnifying Party") agrees to indemnify the other party and their respective officers, directors, employees, and agents (each an "Indemnified Party") from and against any and all liabilities, losses, proceedings, actions, damages and claims (collectively "Losses") that result from any third party claim relating to bodily injury or death of any person or damage to any real or tangible property, to the extent caused by the Indemnifying Party's gross negligence, recklessness, or willful misconduct in the performance of this Agreement. Contractor agrees to maintain a policy of liability insurance in the minimum amount of (\$1,000,000) One Million Dollars, to cover such claims or in an amount determined appropriate by the County Risk Manager. If the amount of insurance is reduced by the County Risk Manager such reduction must be in writing. Contractor shall furnish a certificate of insurance evidencing such insurance and naming the County as an additional insured for the above-cited liability coverage prior to commencing work. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability or limit Contractor's liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Contract, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

insurance for work performed by Contractor and its sub-contractors, and that no other insurance effected by County or other additional insured will be called on to cover a loss covered thereunder. All insurance required herein shall be provided by a company authorized to do business in the State of California and possess at least a Best A:VII rating or as may otherwise be acceptable to County. The General Liability insurance shall be provided by an ISO Commercial General Liability policy or other form satisfactory to County. The County will be named as an additional insured using ISO form CG 2010 , or in other form satisfactory to County.

- 5.07 Certificate of Insurance and Endorsements:** Contractor shall obtain and file with the County prior to engaging in any operation or activity set forth in this Contract, certificates of insurance evidencing the coverage including additional insured coverage, as appropriate as set forth in paragraphs 5.04 and 5.10 and Contractor shall provide that no cancellation, reduction in coverage or expiration by the insurance company will be made during the term of this Contract, without thirty (30) days written notice to County prior to the effective date of such cancellation. **Naming the County as a "Certificate Holder" or other similar language is NOT sufficient satisfaction of the requirement.** Prior to commencement of performance of services by Contractor and prior to any obligations of County, contractor shall file certificates of insurance with County showing that Contractor has in effect the insurance required by this Contract. Contractor shall file a new or amended certificate on the certificate then on file. **If changes are made during the term of this Contract, no work shall be performed under this agreement, and no payment may be made until such certificate of insurance evidencing the coverage in paragraphs, 5.05, the general liability policy set forth in 5.06 and 5.10 are provided to County.**
- 5.08 Public Employees Retirement System (CalPERS):** In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Contract is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions of CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County. Contractor understands and agrees that his personnel are not, and will not be, eligible for memberships in, or any benefits from, any County group plan for hospital, surgical or medical insurance, or for membership in any County retirement program, or for paid vacation, paid sick leave, or other leave, with or without pay, or for any other benefit which accrues to a County employee.
- 5.09 IRS/FTB Indemnity Assignment:** Contractor shall defend, indemnify, and hold harmless the County, its officers, agents, and employees, from and against any adverse determination made by the Internal Revenue Service of the State Franchise Tax Board with respect to Contractor's "independent contractor" status that would establish a liability for failure to make social security and income tax withholding payments.

- 5.10 Professional Liability:** If Contractor or any of its officers, agents, employees, volunteers, contactors or subcontractors are required to be professionally licensed or certified by any agency of the State of California in order to perform any of the work or services identified herein, Contractor shall procure and maintain in force throughout the duration of the Contract a professional liability insurance policy with a minimum coverage level of (\$1,000,000) One Million Dollars, or as determined in writing by County's Risk Management Department.
- 5.11 State and Federal Taxes:** As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

 - c. County will not withhold state or federal income tax from payment to Contractor.
 - d. County will not make disability insurance contributions on behalf of Contractor.
 - e. County will not obtain workers' compensation insurance on behalf of Contractor.
- 5.12 Records:** All reports and other materials collected or produced by the Contractor or any subcontractor of Contractor shall, after completion and acceptance of the Contract, become the property of County, and shall not be subject to any copyright claimed by the Contractor, subcontractor, or their agents or employees. Contractor may retain copies of all such materials exclusively for administration purposes. Any use of completed or uncompleted documents for other projects by Contractor, any subcontractor, or any of their agents or employees, without the prior written consent of County is prohibited. It is further understood and agreed that all plans, studies, specifications, data magnetically or otherwise recorded on computer or computer diskettes, records, files, reports, etc., in possession of the Contractor relating to the matters covered by this Contract shall be the property of the County, and Contractor hereby agrees to deliver the same to the County upon request. It is also understood and agreed that the documents and other materials including but not limited to those set forth hereinabove, prepared pursuant to this Contract are prepared specifically for the County and are not necessarily suitable for any future or other use.
- 5.13 Contractor's Books and Records:** Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of five (5) years, or for any longer period required by law, from the date of final payment to the Contractor under this Contract. As mandated by law, any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.
- 5.14 Assignability of Contract:** It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor

under this Contract will be permitted only with the express written consent of the County.

5.15 Warranty of Contractor: Contractor warrants that it, and each of its personnel, where necessary, are properly certified and licensed under the laws and regulations of the State of California to provide the special services agreed to.

5.16 Withholding for Non-Resident Contractor: Pursuant to California Revenue and Taxation Code Section 18662, payments made to nonresident independent contractors, including corporations and partnerships that do not have a permanent place of business in this state, are subject to 7 percent state income tax withholding.

Withholding is required if the total yearly payments made under this contract exceed \$1,500.00.

Unless the Franchise Tax Board has authorized a reduced rate or waiver of withholding and County is provided evidence of such reduction/waiver, all nonresident contractors will be subject to the withholding. It is the responsibility of the Contractor to submit the Waiver Request (Form 588) to the Franchise Tax Board as soon as possible in order to allow time for the Franchise Tax Board to review the request.

5.17 Compliance with Child, Family and Spousal Support Reporting Obligations: Contractor's failure to comply with state and federal child, family and spousal support reporting requirements regarding contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family and spousal support obligations shall constitute a default under this Contract. Contractor's failure to cure such default within ninety (90) days of notice by County shall be grounds for termination of this Contract.

5.18 Conflict of Interest: Contractor covenants that it presently has no interest and shall not acquire an interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the services hereunder. Contractor further covenants that, in the performance of this Contract, no subcontractor or person having such an interest shall be used or employed. Contractor certifies that no one who has or will have any financial interest under this contract is an officer or employee of County.

Said Contract shall then be deemed terminated and no further work shall be performed by Contractor. Any modification of this Contract will be effective only if it is in writing signed by the Party to be charged and approved by the County as provided herein or as otherwise required by law.

1. SCOPE OF SERVICES

Redwood Toxicology Laboratory (RTL) certifies that **it is** licensed by the State of California, the DEA and Clinical Laboratory Improvement Amendments to perform drugs of abuse testing throughout the United States. RTL participates in the proficiency-testing program administered by the American Association of Bioanalysts.

Redwood Toxicology Laboratory will provide urinalysis drug screening for Alcohol (Ethanol), Amphetamines, Barbiturates, Benzodiazepines, Cocaine, Opiates, and PCP as well as a standard lab test for alcohol or the THC test. Initial screening of RTL's standard laboratory test is performed by enzyme immunoassay (EIA). Confirmation is performed by a secondary method including gas chromatography (GC), gas chromatography/mass spectrometry (GC-MS), and/or liquid chromatography/tandem mass spectrometry (LC-MS/MS), depending on drug class. RTL will also provide urinalysis drug screening for Steroids. Screening and confirmation are performed by gas chromatography/mass spectrometry (GC-MS).

Negative results for *basic* screens are available within twenty-four (24) to forty-eight (48) hours after receipt of specimens at RTL. Positive specimens will be saved for three (3) months. RTL will confirm all positive results by the methods indicated and report all confirmed positives to authorized SCBHS personnel within seventy-two (72) to ninety-six (96) hours after receiving specimen(s). Confirmed positive results via GC/MS will be reported to authorized personnel within seventy-two (72) to ninety-six (96) hours after receiving specimen(s) or after receiving request for GC/MS confirmation. EtG tests performed by LC/MS/MS will be reported to authorized personnel within seventy-two (72) to ninety-six (96) hours of receipt of specimen at the laboratory.

Laboratory Supplies: Redwood Toxicology Laboratory's standard service includes all urine collection supplies and shipping supplies and oral fluid and shipping supplies. Urine and Oral Fluid collection supplies provided at no charge include requisition forms, specimen labels, chain of custody forms and security seals, as well as FedEx overnight delivery supplies and/or USPS pre-paid mailer boxes. Less than five specimens sent by next day air service will be assessed a seven-dollar (\$7.00) shipping and handling fee. Pre-paid mailer boxes may be used when fewer than five (5) specimens are sent to RTL at one time for testing. Mailer boxes are available on request when ordering supplies.
