RE: FY '26/'27 Rate

Willow Glen Care Center is pleased to report that it is completing its twenty-ninth year of service to the Counties in northern and central California. As we prepare for FY '26/'27, we continue to adhere to the original goal of providing the highest quality of care and programming at the lowest possible cost to the County.

The rates below reflect the proposed rate changes for FY '26/'27. The rate increase is principally the result of the mandatory SB525 minimum wage laws in California for healthcare workers. Market-appropriate increases to general supplies and food are also included in the new daily rate.

We hope that this proposal is understandable and that it continues to reflect the unique value offered to the Counties and to the clients placed in our care.

Please note that all facilities available to your county are listed below, regardless of whether or not the county has contracted with those facilities in the past.

LPS declarations will be paid for by Willow Glen Care Center and reimbursed by the county at a rate of \$250 - \$500 for each evaluation, depending on the evaluation format requested by the county. There is no requirement that a county utilize our clinicians for declaration.

Bed-Hold rates shall be paid at the same daily rate as if the client were present in the facility, as established by the FY '26/'27 rate schedule. All attempts will be made to confirm a bed hold in writing from the responsible parties. Please note: unless the County or Public Guardian has notified the program/facility verbally or in writing that the client is discharged from the program, that client will be considered actively admitted to that program and the Bed-Hold rate will apply.

Multi-year contracts should include additional increases of 4% per day at each facility, for each year beyond FY '26/'27, to help offset future expected increases to the organization's expenses. As part of its ongoing commitment to providing the highest quality of care at the lowest possible cost, Willow Glen Care Center endeavors to keep annual increases to counties as low as possible. In years this is not possible due to changes in state or federal laws, public health crises, or other external factors beyond the organization's control, Willow Glen may find it necessary to exceed a 4% increase to the daily rate. If a multi-year contract was executed by your county, please note that the daily rates posted in this letter will supersede the rate(s) of the multi-year agreement.

The new Rate Schedule is planned to become effective on July 1, 2026, to coincide with the renewal of the Willow Glen Care Center's contract for FY '26/'27. Rates for pre-approved one-to-one supervision and transports remain the same. If you have any questions regarding the rate change, please contact me at (530) 751-9904. We appreciate the support of all the Counties and look forward to continuing to provide the care you expect.

Thank You
