RE: FY '25/'26 Rate

Willow Glen Care Center is pleased to report that it is completing its twenty-ninth year of service to the Counties in northern and central California. As we prepare for FY '25/'26, we continue to adhere to the original goal of providing the highest quality of care and programming at the lowest possible cost to the County.

The rates below reflect the proposed rate changes for FY '25/'26. The rate increases for programs represent projected market-appropriate increases to general supplies, food, and other costs of living.

We hope that this proposal is understandable and that it continues to reflect the unique value offered to the Counties and to the clients placed in our care.

Please note that all facilities available to your county are listed below, regardless of whether or not the county has contracted with those facilities in the past.

LPS declarations will be paid for by Willow Glen Care Center and reimbursed by the county at a rate of \$250 for each evaluation. There is no requirement that a county utilize our clinicians for declaration.

Bed-Hold rates shall be paid at the same daily rate as if the client were present in the facility, as established by the FY '25/'26 rate schedule.

Multi-year contracts should include additional increases of \$10 per day at each facility, for each year beyond FY '25/'26, to help offset future expected increases to the organization's expenses.

The new Rate Schedule is planned to become effective on July 1, 2025 to coincide with the renewal of the Willow Glen Care Center's contract for FY '25/'26. Rates for pre-approved one-to-one supervision and transports remain the same. If you have any questions regarding the rate change, please contact me at (530) 751-9904. We appreciate the support of all the Counties and look forward to continuing to provide the care you expect.

Thank You
