**Prior relevant experience.**

1. Head fire clean up 2024: Managed by Siskiyou Co. Health Department.
   Completed fire debris removal on several parcels. Included sorting, hauling and loading debris, tires, buildings, and cars. Completed all on-site work, transportation, and asbestos removal.

2. City of Dunsmuir: 2025 demo structures and remove debris for city abatements.
   Completed property clean up, demolition and haul off to landfill.

3. City of Dunsmuir 2025: Completed demolition of 3 City owned structures and removed all associated waste.

4. Prior experience: SW has been involved with the trucking side of at least 10 wildfire debris removal projects.

5. 2026 Removed and cleaned up buildings on Foothill Drive Yreka, CA. Removed 5 buildings, managed lead paint and asbestos removal. Hauled all waste and debris to landfill.

**Price List.**

1. Waste hauling rates.

Semi-truck with 60 Yard debris trailer $220.00 per hour
10-wheeler dump truck $185.00 per hour.
Super ten dump truck $165.00 per hour.
20 Yard end dump semi $185.00 per hour
Lowboy truck for equipment transportation $200.00 per hour.

2. Debris dump fees at Dry Creek Landfill 90.00 per ton.

3. Equipment rates with operator. Per hour

Skid steer with bucket, rake, clamp. $200.00
Wheel loader 10 ton $250.00
5 Ton excavator $200.00

10-ton excavator $300.00
20-ton excavator $350.00

4. Ground crew prevailing wage $125.00 per hour.

**Waste associated fees to be determined by project. Lead based paint assessments, Asbestos, Hydrocarbons assessments. We have worked with Guzi West for assessments and site surveys on other projects. We have several licensed asbestos and lead based paint contractors we have worked with on other projects Those items would have to be addresses on a case-by-case basis.**

**Fence removal and installation.**

1. Removal to be completed at equipment rates.
2. Installation of 6' chain link fence with top rail 150.00 per foot.
3. Installation of 12' x 5' gate $3000.00
4. Rates are based on prevailing wage labor.

**Fence prices also vary by terrain and location. I am giving worst case scenario on pricing.**
**Should be bid site specifically.**

Thank You
Jeremy Ward

To Whom It May Concern,

It is with great confidence and enthusiasm that Weed Union Elementary School District provides this letter of reference for SW Maintenance. Over the course of several projects, SW Maintenance has consistently exceeded our expectations in the provision of property abatement services, including the clean-up and removal of trash, debris, and personal property.

Our school district faced significant challenges that required swift and meticulous attention to ensure our properties remained safe, clean, and in compliance with regulatory standards. SW Maintenance demonstrated exceptional professionalism, attention to detail, and efficiency in executing these tasks.

Key aspects of their performance that deserve particular commendation include:

1. **High-Quality Workmanship:** The team at SW Maintenance consistently delivered thorough and comprehensive clean-up services, leaving our properties in excellent condition.
2. **Timely Completion:** All projects were completed within or ahead of the agreed timelines, which was critical in minimizing disruptions to our school operations.
3. **Professionalism and Communication:** SW Maintenance maintained clear and open communication throughout each project. Their team was courteous, responsive, and adaptable to our evolving needs.
4. **Safety Standards:** Given the nature of school environments, safety is a paramount concern. SW Maintenance adhered strictly to all safety protocols, ensuring that their work was conducted without risk to students, staff, or visitors.
5. **Environmental Responsibility:** We appreciate SW Maintenance's commitment to environmentally responsible practices, including the proper disposal and recycling of materials wherever possible.

Based on our experience, we have no hesitation in recommending SW Maintenance to the County of Siskiyou for any property abatement services. Their reliability, expertise, and commitment to excellence set them apart as a trusted contractor.

Should you require further information, please do not hesitate to contact me at 530-938-2715 or jray@weedelem.k12.ca.us.

Sincerely,

Jon Ray, Superintendent

Weed Union Elementary School District

# CITY OF DUNSMUIR

"Home of the Best Water on Earth"

Date: January 15, 2025

To Whom It May Concern,

I am pleased to provide this letter of recommendation for SW Maintenance, who have been providing exceptional property abatement services for the City of Dunsmuir. Over the course of our working relationship, SW Maintenance has consistently demonstrated a high level of professionalism, reliability, and quality work.

The team at SW Maintenance has assisted with various property abatement projects throughout the city, including the removal of hazardous materials, debris, and overgrown vegetation. Their work has been efficient, thorough, and performed in a manner that adheres to local codes and regulations.

The City of Dunsmuir highly values the partnership we have developed with SW Maintenance, and we are confident in their ability to handle future projects with the same level of excellence. Their dedication to service, attention to detail, and professionalism make them an outstanding choice for property abatement services.

If you have any questions or need further information, please do not hesitate to contact me directly.

Sincerely,

Blake Michaelsen | Finance Director | bmichaelsen@ci.dunsmuir.ca.us | 530.235.4822 ex 105

4. Length of Services:

☐ 1-2 months ☐ 3-4 months ☐ 5-6 months

☐ More than 6 months

**PART 2: CUSTOMER COMPLETES PART 2.**

Customers provide their references via responses to the below questions. Siskiyou County will contact references to verify information provided in Part 1 and Part 2.

1. Was the Proposer Company (named above) the Prime Contractor (named on Contract) or a Subcontractor (named in the Contract) that provided these services?

☑ Prime Contractor ☐ Subcontractor ☐ Member of a Prime Contractor JV

2. Was the Proposer's team/personnel able to lead, coordinate, and perform structural debris removal operations with consistent maintenance and production of accurate financials, documentation, and reports?

Check one box: ☑ Yes ☐ No

3. Did Proposer's initial mobilization actions meet the needs of the project?

Check one box: ☑ Yes ☐ No

4. Was Proposer's quality of work and willingness to ensure the successful completion of the project satisfactory?

Check one box: ☑ Yes ☐ No

5. Was Proposer's ability to cooperate and communicate during to term of the project satisfactory?

Check one box: ☑ Yes ☐ No

6. Was Proposer's flexibility to address and successfully meet new and/or unexpected issues or expanded operational demands satisfactory?

Check one box: ☑ Yes ☐ No

7. Were you satisfied with Proposer's overall performance? Check one box:

Check one box: ☑ Yes ☐ No

8. Additional comments to add to support the above:

Glencore selected SW maintenance in September 2022 to do repair work at the Grey Eagle Closed Mine site. Their scope of work involved repairs to damaged infrastructure resulting from the wind-driven Slater fire in September 2020.

The work specifically involved site clean-up activities, such as removal of potentially contaminated soils, damaged piping, buildings, materials & the installation of new Launder & Piping Systems. The work was completed [redacted] during the fall of 2022.

Glencore was extremely pleased with the work performed by SW Maintenance. The project was completed below the Engineering Consultants estimate and in less time than scheduled. Several issues were encountered with respect to material delivery & how certain construction activities should be carried out. In all cases SW maintenance came up with solutions so that the project's schedule & budget would not be adversely affected.

In summary, SW Maintenance performed the [redacted] work noted in your questions 2-7 above to a high degree of satisfaction from Glencore's perspective. Glencore will certainly put SW Maintenance high on the preferred contractors list for future work.

Gary Ogden, P.Eng
Project Manager, July 29/24

# County of Siskiyou
# Local Preference Statement

In order to qualify for local preference consideration the following must be completed and submitted with your bid documents. The current Local Preference Purchasing Ordinance can be found in Sec. 2-8.07.1. of the Siskiyou County Code and Government Code Section 25508.

The undersigned hereby declares:
