I'm seeking reappointment for another term of leadership on the Happy Camp Community Services District Board of Directors. I feel I have the skills and experience to serve the Community of Happy Camp in this position for the next term.

I've enjoyed my time serving on the Board of Directors and feel I still have much to contribute. I'm proud of the progress we have made as far as upgrades to our water system and management of that. We have partnered with local agencies to see the betterment of our parks.

There are many other projects to come and I would like the opportunity to further help in this coming term. I'm requesting reappointment to the Happy Camp Community Services District Board of Directors.

Thank you
