ARTICLE 1. TERM OF CONTRACT

1.01 Contract Term: This Contract shall become effective upon appointment of Contractor as external auditor of the Partial Settlement Agreement in *Mathis v. County of Siskiyou*, No. 2:22-cv-01378-KJM-AC, Dkt. No. 190-1 (E.D. Cal. Nov. 11, 2025), incorporated herein as Exhibit A, and shall terminate four years from the date of appointment, unless terminated earlier in accordance with the Partial Settlement Agreement and the provisions of Article 7 of this Contract or as otherwise provided herein.

ARTICLE 2. INDEPENDENT CONTRACTOR STATUS

2.01 Independent Contractor: It is the express intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venture or partner of County. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Contract.

ARTICLE 3. SERVICES

3.01 Scope of Services: Contractor agrees to furnish the services set forth in Section 5(c) of the Partial Settlement Agreement, attached as Exhibit A, in accordance with the Proposal incorporated herein as Exhibit B.

No additional services shall be performed by Contractor unless approved in advance in writing by the County stating the dollar value of the services, the method of payment, and any adjustment in contract time or other contract terms. All such services are to be coordinated with County and the results of the work shall be monitored by the County Counsel or his or her designee.

To the extent that Exhibit B contains terms in conflict with this Contract or to the extent that it seeks to supplement a provision regarding a subject already fully addressed in this Contract, including a clause similar to this seeking to render its language superior to conflicting language in this Contract, such language is hereby expressly deemed null and void by all parties upon execution of this Contract.

3.02 Method of Performing Services: Contractor will determine the method, details, and means of performing the above-described services including measures to protect the safety of the traveling public and Contractor's employees. County shall not have the right to, and shall not, control the manner or determine the method of accomplishing Contractor's services.

3.03 Employment of Assistants: Contractor may, at the Contractor's own expense, employ such assistants as Contractor deems necessary to perform the services required of Contractor by this Contract. County may not control, direct, or supervise Contractor's assistants or employees in the performance of those services.

ARTICLE 4. COMPENSATION

4.01 Compensation: In consideration for the services to be performed by Contractor, County agrees to pay Contractor in proportion to services satisfactorily performed as specified in Exhibit "B". Contractor's hourly rate(s) shall be as indicated in Exhibit B. Payment for all services included in Exhibit B, inclusive of costs and expenses, shall not exceed One Hundred Fifty Thousand Dollars and no/100 cents ($150,000.00) per fiscal year for fiscal years 26-27, 27-28, 28-29, and 29-30 for a total not to exceed amount of Six Hundred Thousand Dollars and no/100 cents ($600,000.00) for the term of the contract starting from the date Contractor is appointed as external auditor pursuant to the terms of the Partial Settlement Agreement attached as Exhibit A.

In accord with Exhibit B, if Contractor is required by the Court with jurisdiction over the Partial Settlement Agreement, or by the Parties to the Partial Settlement Agreement, to conduct work that is optional or contingent under the Partial Settlement Agreement, County agrees to pay for these additional services and related costs, and that such payment shall not count towards the not-to-exceed amount set out above. Contractor agrees to seek agreement from the Parties

that the proposed work is required prior to conducting the work, unless agreement in advance is infeasible.

4.02 Invoices: Contractor shall submit monthly detailed invoices for all services being rendered to the **County Counsel's Office**, once a month an itemized statement of all hours spent by Contractor in performing services and work described in Exhibit "B", which were done at the County's request. This statement will be submitted to the County as expeditiously as possible. The statement to be submitted will cover the period from the first day of the preceding month through and including the last day of the preceding month. This statement will identify the date of which the hours were worked and describe the nature of the work which was performed on each day.

4.03 Date for Payment of Compensation: County shall pay within 30 calendar days of receipt of invoices from the Contractor to the County. The County shall notify the Contractor in writing within ten calendar days if it does not approve the invoice. The Contractor shall respond to any concerns within ten calendar days and the parties shall attempt in good-faith to resolve the disagreement to allow for payment within the 30-day period. If the Contractor and County are unable to resolve the payment disagreement within 30 days, either party to this contract may move the Court with jurisdiction over the Partial Settlement Agreement to resolve the dispute. Payment to Contractor will be independent of the findings or opinions Contractor renders and/or expresses in its reports and payment to Contractor shall not be read as agreement with Contractor's findings or opinions.

4.04 Expenses: Contractor's costs payable by the County are included in the not to exceed amount set forth in Section 4.01. Contractor shall be responsible for all other costs and expenses incident to the performance of services for County, including but not limited to, all costs of materials, equipment, all fees, fines, licenses, bonds or taxes required of or imposed against Contractor and all other of Contractor's costs of doing business. County shall not be responsible for any expense incurred by Contractor in performing services for County outside those set out in Exhibit A (Partial Settlement Agreement), in accordance with Exhibit B (Proposal).

ARTICLE 5. OBLIGATIONS OF CONTRACTOR

5.01 Contractor Qualifications: Contractor warrants that Contractor has the necessary licenses, experience and technical skills to provide services under this Contract.

5.02 Contract Management: Contractor shall report to the County Counsel or his or her designee who will review the activities and performance of the Contractor and administer this Contract.

5.03 Tools and Instrumentalities: Contractor will supply all tools and instrumentalities required to perform the services under this Contract. Contractor is not required to purchase or rent any tools, equipment or services from County.

5.04 Workers' Compensation: Contractor shall maintain a workers' compensation plan, in an amount of no less than One Million Dollars ($1,000,000) per accident for bodily injury or disease, covering all its employees as required by California Labor Code Section 3700, either through workers' compensation insurance issued by an insurance company or through a plan of self-insurance certified by the State Director of Industrial Relations. If Contractor elects to be self-insured, the certificate of insurance otherwise required by this Contract shall be replaced with a consent to self-insure issued by the State Director of Industrial Relations. Proof of such insurance shall be provided before any work is commenced under this contract. No payment shall be made unless such proof of insurance is provided.

5.05 Indemnification: Indemnification for non-design professional services: Contractor shall indemnify and hold County harmless against any and all liability imposed or claimed, including attorney's fees and other legal expenses, arising directly or indirectly from any act or failure of Contractor or Contractor's assistants, employees or agents, including all claims relating to the injury or death of any person or damage to any property. Contractor agrees to maintain a policy of liability insurance in the minimum amount of ($1,000,000) One Million Dollars, to cover such claims. If the amount of insurance is reduced by the County Risk Manager such reduction must be in writing. Contractor shall furnish a certificate of insurance evidencing such insurance and naming the County as an additional insured for the above-cited liability coverage prior to commencing work. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability or limit Contractor's liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Contract, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

Indemnification for design professional services: To the fullest extent permitted by law, including California Civil Code sections 2782 and 2782.8, Contractor shall defend (with legal counsel acceptable to County), indemnify and hold harmless County, its officers, agents and employees, from and against any and all claims, demands, losses, costs, damages, injuries (including injury to or death of an employee of Contractor or its subcontractors), expenses and liabilities of every kind, nature and attorney's fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of Contractor, any subcontractor, anyone directly or indirectly employed by them or anyone that they control (collectively "Liabilities"). Such obligations to defend, hold harmless and indemnify County, its officers, agents and employees, shall not apply to the extent that such Liabilities are caused in part by the negligence, active negligence, or willful misconduct of the County, its officers, agents and employees.

5.06 General Liability and Automobile Insurance: During the term of this Contract, Contractor shall obtain and keep in full force and effect a commercial, general liability with limits no less than Two Million Dollars ($2,000,000) per occurrence and automobile policy or policies of no less than One Million Dollars ($1,000,000) per accident for bodily injury and property damage; the County, its officers, employees, volunteers and agents are to be named additional insured under the policies, and the policies shall stipulate that this insurance will operate as primary insurance for work performed by Contractor and its sub-contractors, and that no other insurance effected by County or other named insured will be called on to cover a loss covered thereunder. All insurance required herein shall be provided by a company authorized to do business in the State of California and possess at least a Best A:VII rating or as may otherwise be acceptable to County. The General Liability insurance shall be provided by an ISO Commercial General Liability policy, with edition dates of 1985, 1988, or 1990 or other form satisfactory to County. The County will be named as an additional insured using ISO form CG 2010 1185 or the same form with an edition date no later than 1990, or in other form satisfactory to County.

5.07 Certificate of Insurance and Endorsements: Contractor shall obtain and file with the County prior to engaging in any operation or activity set forth in this Contract, certificates of insurance evidencing additional insured coverage as set forth in paragraphs 5.04 and 5.10 and which shall provide that no cancellation, reduction in coverage or expiration by the insurance company will be made during the term of this Contract, without thirty (30) days written notice to County prior to the effective date of such cancellation. **Naming the County as a "Certificate Holder" or other similar language is NOT sufficient satisfaction of the requirement.** Prior to commencement of performance of services by Contractor and prior to any obligations of County, contractor shall file certificates of insurance with County showing that Contractor has in effect the insurance required by this Contract. Contractor shall file a new or amended certificate on the certificate then on file. **If changes are made during the term of this Contract, no work shall be performed under this agreement, and no payment may be made until such certificate of insurance evidencing the coverage in paragraphs, 5.05, the general liability policy set forth in 5.06 and 5.10 are provided to County.**

5.08 Intentionally Omitted.

5.09 Intentionally Omitted.

5.10 Professional Liability: If Contractor or any of its officers, agents, employees, volunteers, contactors or subcontractors are required to be professionally licensed or certified by any agency of the State of California in order to perform any of the work or services identified herein, Contractor shall procure and maintain in force throughout the duration of the Contract a professional liability insurance policy with a minimum coverage level of Two Million and No/100

Dollars ($2,000,000.00), or as determined in writing by County's Risk Management Department.

5.11 State and Federal Taxes: As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

a. County will not withhold FICA (Social Security) from Contractor's payments;
b. County will not make state or federal unemployment insurance contributions on behalf of Contractor.
c. County will not withhold state or federal income tax from payment to Contractor.
d. County will not make disability insurance contributions on behalf of Contractor.
e. County will not obtain workers' compensation insurance on behalf of Contractor.

5.12 Records: The preservation, provision, and handling of all records, documents, and data related to this Contract shall be consistent with sections 5.c.(i) and 6 of the Partial Settlement Agreement attached as Exhibit A. In addition to the records specified in the Partial Settlement Agreement, County agrees to provide Contractor and its agents access to Evidence.com, and any related or successor databases. County further agrees to provide Contractor complete (rather than summaries of) files of investigations of complaints of misconduct related to traffic stops. Providing Contractor access to records, documents, and data not included in section 5.c. of the Partial Settlement Agreement, does not automatically grant access to Plaintiffs' counsel. Contractor and County agree that, upon providing additional access to records to Contractor, the Contractor and/or County will inform Plaintiffs' counsel of such provision.

5.13. County's Ownership of its Records: All reports and other materials collected by the Contractor or any subcontractor of Contractor shall, after completion and acceptance of the Contract, remain the property of County, and shall not be subject to any copyright claimed by the Contractor, subcontractor, or their agents or employees. Contractor may retain copies of all such materials exclusively for administration purposes, academic research purposes, and as otherwise permitted pursuant to the Partial Settlement Agreement attached as Exhibit A. Any use of completed or uncompleted documents obtained from County for other projects by Contractor, any subcontractor, or any of their agents or employees, without the prior written consent of County is prohibited. It is further understood and agreed that all plans, studies, specifications, data magnetically or otherwise recorded on computer or computer diskettes, records, files, reports, etc., provided to the Contractor relating to the matters covered by this Contract shall be the property of the County, and Contractor hereby agrees to deliver the same to the County upon request, in accord with the requirements of the Partial Settlement Agreement attached as Exhibit A. It is also understood and agreed that the documents and other materials including but not limited to those set forth

hereinabove, prepared pursuant to this Contract are prepared specifically for the County and are not necessarily suitable for any future or other use.

5.14 Contractor's Ownership of its Work Product: All information, plans, notes, reports, studies, analyses, memoranda, data, electronic files, and related material generated or developed by Contractor during the performance of this Contract ("Work Product") shall remain property of the Contractor. County shall have the right to use Contractor's Work Product provided to the County for any purpose without permission of, or additional compensation to Contractor. Contractor may continue to use Work Product that does not name the County and does not contain any personally identifiable information (e.g., de-identified data, the results of statistical testing of data) for research purposes or as otherwise consistent with the Partial Settlement Agreement. Contractor may use Work Product naming the County upon approval by the County, which approval the County shall not unreasonably withhold.

5.15 Confidentiality of Shared Information: Contractor and County are subject to the terms of the Protective Order agreed to by the parties in *Mathis v. County of Siskiyou*, No. 2:22-cv-01378-KJM-AC. Consistent with the Protective Order, Contractor and County agree to handle confidential information as follows:

"Confidential Information" includes any and all non-public and/or proprietary information of provider which is disclosed to recipient under this Contract or the Partial Settlement Agreement including, but not limited to inventions, devices, know-how and data, protocols, formulations, educational, research and development plans, designs, algorithms, business plans, and all other intellectual property, and all enhancements and improvements thereto, whether patentable or unpatentable, and whether or not reduced to practice, except for information that:

a. has been published or is otherwise publicly available at the time of disclosure to the recipient; or

b. was in the possession of or was readily available to the recipient from another source prior to the disclosure as evidenced by written records; or

c. becomes publicly known, by publication or otherwise, not due to any unauthorized act by the recipient; or

d. the recipient can demonstrate it developed independently, or it acquired without reference to or reliance upon such Confidential Information; or is required to be disclosed by law.

Each Party agrees to employ all reasonable efforts to maintain the Confidential Information of the other Party as secret and confidential, such efforts to be no less than the degree of care employed by each Party to preserve and safeguard its own secret information. The Confidential Information of the provider shall not be disclosed, revealed, or given to anyone by the recipient, except employees of the recipient who have a need to know about the Confidential Information in

connection with the recipient's evaluation ("Receiving Individuals"), and such employees shall be advised by the Recipient of the confidential nature of the Confidential Information and that the Confidential Information shall be treated accordingly. Contractor shall limit access to the Data and Videos to only those of its Employees and Subcontractors who are required, and authorized, to have access to the data to perform the functions required of Contractor by the Partial Settlement Agreement.

Contractor shall notify the County of any improper use, disclosure, or theft of Confidential Information, and shall take all reasonable steps to recover the Confidential Information at Contractor's own expense.

Nothing in this Agreement shall prohibit disclosure of records in accordance with the California Public Records Act.

5.16 Contractor's Books and Records: Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of five (5) years, or for any longer period required by law, from the date of final payment to the Contractor under this Contract. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.

5.17 Assignability of Contract: It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Contract will be permitted only with the express written consent of the County.

5.18 Warranty of Contractor: Contractor warrants that it, and each of its personnel, where necessary, are properly certified and licensed under the laws and regulations of the State of California to provide the special services agreed to.

5.19 Withholding for Non-Resident Contractor: Pursuant to California Revenue and Taxation Code Section 18662, payments made to nonresident independent contractors, including corporations and partnerships that do not have a permanent place of business in this state, are subject to 7 percent state income tax withholding.

Withholding is required if the total yearly payments made under this contract exceed $1,500.00.

Unless the Franchise Tax Board has authorized a reduced rate or waiver of withholding and County is provided evidence of such reduction/waiver, all nonresident contractors will be subject to the withholding. It is the responsibility of the Contractor to submit the Waiver Request (Form 588) to the Franchise Tax

Board as soon as possible in order to allow time for the Franchise Tax Board to review the request.

5.20 Compliance with Child, Family and Spousal Support Reporting Obligations: Contractor's failure to comply with state and federal child, family and spousal support reporting requirements regarding contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family and spousal support obligations shall constitute a default under this Contract. Contractor's failure to cure such default within ninety (90) days of notice by County shall be grounds for termination of this Contract.

5.21 Conflict of Interest: Contractor covenants that it presently has no interest and shall not acquire an interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the services hereunder. Contractor further covenants that, in the performance of this Contract, no subcontractor or person having such an interest shall be used or employed. Contractor certifies that no one who has or will have any financial interest under this contract is an officer or employee of County.

5.22 Compliance with Applicable Laws: Contractor shall comply with all applicable federal, state and local laws now or hereafter in force, and with any applicable regulations, in performing the work and providing the services specified in this Contract. This obligation includes, without limitations, the acquisition and maintenance of any permits, licenses, or other entitlements necessary to perform the duties imposed expressly or impliedly under this Contract.

5.23 Bankruptcy: Contractor shall immediately notify County in the event that Contractor ceases conducting business in the normal manner, becomes insolvent, makes a general assignment for the benefit of creditors, suffer or permits the appointment of a receiver for its business or assets, or avails itself of, or becomes subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or protection of the rights of creditors.

5.24 Drug-Free Workplace: Contractor hereby certifies compliance with Government Code Section 8355 and the County of Siskiyou Personnel Policy in matters relating to providing a drug-free workplace where employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance and provide the appropriate Drug-Free Workplace Certification as required by various funding sources.

ARTICLE 6. OBLIGATIONS OF COUNTY

6.01 Cooperation of County: County agrees to comply with all reasonable requests of Contractor (to provide reasonable access to documents and information as permitted by law) necessary to the performance of Contractor's duties under this Contract and the Partial Settlement Agreement attached as Exhibit A.

1. Bankruptcy or insolvency of Contractor
2. Death of Contractor

7.02 Termination for Cause: Subject to the terms of the Partial Settlement Agreement attached as Exhibit A, either Party may terminate this Contract for cause, by giving at least 30 business days' notice in writing, if the other Party ("Breaching Party") fails to fulfill its obligations under this Contract in a timely and proper manner, or if the other Party violates the terms of this Contract. The Breaching Party has the right to cure before the thirty business day notice period expires. If the Contract is terminated for Cause, County shall compensate Contractor for Services performed prior to termination and for prior commitments made by Contractor on County's behalf and with County's preapproval. Termination of this Contract pursuant to this provision shall be effective only upon approval of the Court with jurisdiction over the Partial Settlement Agreement.

7.03 Termination of Funding: Subject to the terms of the Partial Settlement Agreement attached as Exhibit A, the County may terminate this Contract in any fiscal year in that it is determined there is not sufficient funding. California Constitution Article XVI Section 18. Termination of funding shall be effective only upon approval of the Court with jurisdiction over the Partial Settlement Agreement.

7.04 Transition Upon Termination: Contractor agrees to use reasonable efforts to ensure a smooth transition from Contractor to any replacement contractor retained by County, and to timely respond, for a period of 6 months, to the replacement contractor's reasonable requests for information. To the extent that these reasonable efforts extend beyond de minimis efforts, Contractor shall be entitled to bill County for this time at the hourly rate last agreed in writing between the parties.

ARTICLE 8. GENERAL PROVISIONS

8.01. Notice. Any notice, communication, amendments, additions, or deletions to this Agreement, including change of address of either party during the terms of this Agreement, which Contractor, County shall be required, or may desire, to make, shall be in writing and may be personally serviced, or sent by prepaid first class mail to, the respective parties as follows:

Each Party to this Contract acknowledges that no representations, inducements, promises, or contract, orally or otherwise, have been made by any party, or anyone acting on behalf of any Party, which are not embodied herein, and that no other contract, statement, or promise not contained in this Contract shall be valid or binding. Any modification of this Contract will be effective only if it is in writing signed by the Party to be charged and approved by the County as provided herein or as otherwise required by law.

8.03 Partial Invalidity: If any provision in this Contract is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

8.04 Attorney's Fees: If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Contract, the prevailing Party will be entitled to reasonable attorney's fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that party may be entitled.

8.05 Conformance to Applicable Laws: Contractor shall comply with the standard of care regarding all applicable federal, state and county laws, rules and ordinances. Contractor shall not discriminate in the employment of persons who work under this contract because of race, the color, national origin, ancestry, disability, sex or religion of such person.

8.06 Waiver: In the event that either County or Contractor shall at any time or times waive any breach of this Contract by the other, such waiver shall not constitute a waiver of any other or succeeding breach of this Contract, whether of the same or any other covenant, condition or obligation.

8.07 Governing Law: This Contract and all matters relating to it shall be governed by the laws of the State of California and the County of Siskiyou and any action brought relating to this Contract shall be brought exclusively in a state court in the County of Siskiyou.

The exercise of any single right, option, election, power or remedy shall not, in any way, impair any other right, option, election, power or remedy until all duties and obligations imposed shall have been fully performed.

8.15 No Reliance On Representations: Each party hereby represents and warrants that it is not relying, and has not relied upon any representation or statement made by the other party with respect to the facts involved or its rights or duties. Each party understands and agrees that the facts relevant, or believed to be relevant to this Contract, may hereunder turn out to be other than, or different from the facts now known to such party as true, or believed by such party to be
